

**Mesan Cooling Tower, Ltd.**  
**MCX Series Line of CTI Certified Closed Circuit Cooling Towers**  
**CTI Certification Validation Number 10-26-05**  
**January 4, 2010 (Revision 0)**

**MCX-1**  
**MCX-2**  
**MCX-3**  
**MCX-4**  
**MCX-5**  
**MCX-6**  
**MCX-7**  
**MCX-8**  
**MCX-9**  
**MCX-10**  
**MCX-11**

**Footnotes:**

- 1) Multiple cell models of the single cell models above are also available but not listed.
- 2) Certification applies only to units with water as the process fluid.
- 3) Add suffix -S4 for SST304 or -S6 for SST316 stainless steel structural members & hardware
- 4) Add suffix -F4 for SST304 or -F6 for SST316 stainless steel casing, structural members & hardware
- 5) Add suffix -G4 for HDGS casing, structural members & hardware
- 6) Certification includes units with optional internal platform, handrail, ladder cage, silencer & discharge hood
- 7) Certification includes units with optional gear drive in place of standard belt drive.

Sample Model Number: MCX-1-S4 where: MCX = product line name  
1 = box size designator  
S4 = SST304 stainless steel structural members & hardware
