RE: 2018 CTI Annual Conference and Committee Workshop Hospitality Suite Contributions

## **New for 2018 – Contributors to be Acknowledged on the CTI Website, and App**

I am looking forward to the Annual CTI Conference in Houston, Texas. We are now only six months away from the annual conference, and it is once again time to request your help in sponsoring the CTI Conference, Committee Workshop, and Hospitality Suites. This year you will have one option and it is as follows:

For \$550.00 you will have a Conference, Workshop and Hospitality Suites sponsorship with signs at the registration desk and Hospitality Suite throughout the Annual Conference and Summer Committee Workshop, with recognition during the Conference Sessions, Annual Conference, CTI Newsletter, CTI Website, and CTI Application (App).

I'm sure that many of you have enjoyed the fellowship and opportunities afforded throughout the CTI's Conferences and Committee Workshops. The success of the Cooling Technology Institute will be due in part to the continued contributions from our members, non-members, and conference attendees.

Each year the CTI holds an Annual Conference and a Committee Workshop. The Annual Conference is a unique forum where members and non-members can exchange experiences and ideas and meet the people that share CTI's Mission. The Committee Workshop held in the summer provides an excellent atmosphere for members and non-members to work on standards, codes and technical information. It is also the place where studies are updated, and new standards are approved.

This year has been a special year for me in CTI and I know that you would like the CTI Annual Conference and Committee Workshop to continue to enjoy success. **Our suggested donation for the year 2018 is \$550.** This donation will be used for both the 2018 Annual Conference and 2018 Committee Workshop.

**February 4-8, 2018, Hilton North, Houston, Texas**
